

Organizing for Energy Combo Lab:

- **Check Study Questions! (Questions from all activities should be in one section in order from Activity 1 to Activity 3)**
 - **Put Activity number on each set of study questions!**
 - **Be sure they are all done!**
 - **Be sure they are all written in complete sentences on a separate sheet of paper**
- **Check EACH graph! (Graphs from all activities should be in one section in order from Activity 1 to Activity 3)**
 - **Do they have the activity number on them?**
 - **Do they have a title?**
 - **Are the axes CLEARLY labeled including units?**
- **Check Each Data Table (Tables from all activities should be in one section in order from Activity 1 to Activity 3)**
 - **Are they complete?**
 - **Are units included?**
